CPA Afghanistan Background

Certified Professional Accountants (CPA) Afghanistan was founded in 2013 as a result of the World Bank report on the observance of Standards and Codes Accounting and Auditing (ROSC A&A) in 2009 with a government-led National Steering Committee (NSC) established to coordinate and supervise the activities of the CPA Afghanistan.

CPA Afghanistan in partnership with ACCA which has committed to establish a robust accountancy profession and adopted the globally recognized qualification. CPA Afghanistan is being supported and working under the Ministry of Finance.

The CPA Afghanistan formed the Membership and Licensing Department (MLD) with the primary objective to regulate the Individual's professional members, Practicing firms (Audit firms) and Learning providers (LP's), in Afghanistan which will bring important benefits to the country. It will ensure that accountants follow specific rules and standards when preparing financial reports. This promotes transparency and allows everyone to have a clear understanding of a company's financial situation.

Also, the regulated accounting builds trust among investors, both inside and outside of country. This helps prevent fraud and mismanagement, which can protect the interests of shareholders and stakeholders.

Overall, the regulation of the accounting profession in Afghanistan in terms of practicing firms and individual members plays a crucial role in promoting transparency, attracting investment, and ensuring good corporate practices.

Objective:

The objective of this policy is to provide clear guidelines and procedures for effectively regulating audit firms, Learning providers and individual professional CPA members. This policy is designed to ensure strict compliance with professional standards, elevate the quality of audit services, and uphold the integrity and reputation of the accounting profession within the country.

By establishing a comprehensive framework, the policy aims to govern audit firms and individual members, promoting their adherence to professional standards and fostering a culture of integrity, competence, transparency, and independence in the delivery of audit services. Ultimately, the policy seeks to instill trust and confidence among stakeholders in the financial reporting process through its robust regulatory measures.

1 CPA Afghanistan Membership:

To be listed in the Member Register, individuals, whether national / international, must meet the conditions and criteria's mentioned in CPA Afghanistan Regulations, Article 13, and Section 1. They must complete and submit the online registration form from CPA Afghanistan website along with the fee specified in Article 16 below of this policies which will be paid by individuals by physical invoice from the CPA after the verification of applicant details. Membership will be granted based on qualifications recognized by the CPA Afghanistan as outlined in Article 3 below of this policies.

Membership eligibility is granted to individuals who satisfy the criteria specified in above mentioned Article 13 as well as the following conditions:

- i. They must pursue a recognized qualification pathway endorsed by CPA Afghanistan, which requires holding a membership certificate from a globally recognized professional accounting qualification sanctioned by an IFAC member body approved by the board.
- ii. They should possess a minimum of three years of experience in providing audit and accountancy-related services.
- iii. They must provide evidence of not being convicted of crime or any offenses related to accountancy, corruption, or criminal activities. This can be demonstrated by presenting a proof of no conviction issued by the Ministry of Interior.
- iv. Reference letter or any professional guarantee from any approved industry employer or professional.

2 Validated Accountancy Experience:

To become a member of CPA Afghanistan, individuals must complete the exam requirements of an approved / recognized qualification and meet the Professional Experience Requirement (PER), which includes the following criteria:

- i. The individual must have completed a minimum of three years of employment in a role(s) related to Audit, Accounting, or Finance. This work experience should be relevant to the field and contribute to the individual's professional development and expertise.
- ii. Individuals must maintain and report their PER to CPA Afghanistan by documenting their practical experience gained in audit, accounting, or finance roles.

3 Recognized qualifications:

CPA Afghanistan has adopted the ACCA (Association of Chartered Certified Accountants) as the recognized professional qualification. Following below qualifications are also recognized by CPA Afghanistan;

- i. ICAEW
- ii. AICPA
- iii. CPA Canada
- iv. CPA Australia
- v. CA Bangladesh
- vi. CA India
- vii. CA Pakistan
- viii. CA Sri Lanka

The CPA Afghanistan Board can assess and approve other professional qualifications also on a case-by-case basis. Thus, in addition to ACCA, other qualifications may also be recognized, subject to the Board's evaluation and approval.

CPA Afghanistan will not grant membership to individuals based on exemptions. For example, if a person has received exemption for CPA Canada based on their ACCA qualification, they cannot obtain CPA Afghanistan membership solely on the basis of CPA Canada. So, to obtain membership the CPA Afghanistan requires that the individual either holds actual ACCA membership or has attempted any exam(s) for CPA Canada.

CPA Afghanistan has the authority to verify information about its members affiliated with recognized qualification bodies. This process includes contacting relevant institutes to validate the information provided. Such verifications help ensure the reliability and credibility of its members and uphold professional standards.

4 Membership Conditions and Categories:

Registered members of CPA Afghanistan may appropriately describe themselves as:

- i) CPA (Certified Professional Accountant)
- ii) FCPA (Fellow Certified Professional Accountant)

Only individuals who have received a designatory letter from CPA Afghanistan as registered members may use CPA Member designations. Unauthorized use of these designations by others is strictly prohibited.

The CPA Afghanistan has the following membership categories;

1. **Individual Membership**, CPA Afghanistan is awarded to individuals who meet educational, examination, practical experience, and other requirements specified in CPA Regulations, Article 13, and Section 1.
2. **Fellow Membership**, CPA Afghanistan is awarded automatically to individuals who have been active members for seven years, provided they meet the CPD requirements in Article 27 of the regulations.

Fellow members of CPA Afghanistan can use the designatory letters FCPA instead of CPA. There is no formal application for Fellow membership, the MLD will congratulate members upon submitting their CPD declaration for Seven years of membership.

5 CPA Membership Register:

Membership & Licensing department of CPA Afghanistan is responsible for maintaining a register of all members. The CPA membership register contains essential details about each member, including;

- Their full name, a unique membership number, and up-to-date contact information such as address, phone number, and email address.
- The register will also document the member's professional qualifications, including CPA license numbers, degrees, and other relevant designations.
- Member's current employer, company address, and job title should be included.
- Member's status (active and inactive) and important dates like the registration to the CPA.
- Keeping track of CPD members, along with any disciplinary actions taken and their outcomes.
